Congratulations are in order for our very own, **Dorothy Strachan**, for being inducted into the IAF Hall of Fame. Thank you, Dorothy, for your ongoing contributions to our profession.

### 2016 Facilitation Impact Awards

Four IAF members in Canada are recognized for their facilitation impacts. Kudos to the facilitators and their clients who won in these categories:

- **Platinum Award** - Tamara and Shawna Eberle (Oxford Properties)
- **Silver Awards (in alphabetical order)** - Kimberly Bain (Canadian Partnership Against Cancer), Karyn Dumble (Novacero S.A.) and Karyn Stock-MacDonald (City of Mississauga)

## Increasing IAF Capacity

With increasing requests for CPF accreditation world-wide, the IAF is now able to provide assessments in 2 more languages, in Dutch and Mandarin. Assessment in Mandarin was done for the first time at the IAF Asia Conference in Hualien, Taiwan. Also, assessments using simultaneous translations were successfully accomplished in Polish and Japanese recently.

The IAF is looking for experienced facilitators as Mentors, to be paired up with newer IAF members. Contact Cameron Fraser, Director, Professional Development at [prof.dev@iaf-world.org](mailto:prof.dev@iaf-world.org) for more info. on this new initiative.
