## New Professional Path!!!!

- *Are you a CPF?*
- *Have you re-certified successfully as a CPF twice or more already?*
- *Want to know what is beyond being a CPF?*

If your answer is yes to all of the above, then you might be interested to know that there will be more opportunities to develop your profession.

The IAF is currently developing more options for experienced CPFs. It's a work-in-progress and nothing is definitive at the moment. Stay tuned and watch the Professional Development page on the IAF website.

## IAFNAC 2017 in West Palm Beach, FL.

This year's IAF North America and Caribbean (IAFNAC) 2017 Conference in West Palm Beach was smaller and more intimate. All the sessions were fantastic and the feedback was that people loved the networking and deeper connection with the delegates. Canada was well represented by nearly 15% of the participants.
