**Invitation to the 7th IAF Conference 2018 (17<sup>th</sup> -20<sup>th</sup> October 2018) at Kaskazi Beach Hotel**

Dear Colleagues,

Greetings from Mombasa, Kenya! It is with great pleasure that IAF Africa and Pwani Association of Facilitators extend this invitation to you. We are greatly honored to welcome you to the IAF Africa Conference 2018 to be held between 17<sup>th</sup> -20<sup>th</sup> October 2018 at Kaskazi Beach Hotel Diani/ Ukunda, South Coast (Kwale County, Kenya). The conference aims at expanding facilitation horizons, bridging boundaries within and between organizations, and breaking myths held about facilitation. The conference theme is *'Spreading the Light of Facilitation in Shades of Grey'*.

The conference will accord you, our fellow IAF members and facilitation colleagues, the opportunity to showcase your participation in community and social engagement in your country. You will also get to network with IAF members, other facilitators and organizations from across the world. Most importantly, the conference is a platform for sharing experiences of best practice in facilitation, and a learning space for acquiring inclusive, collaborative and effective facilitation skills. At your disposal will be a worldwide pool of professional facilitators who can support your cause wherever you are.

You and/or your organizations can participate in the conference in the following ways:

1. Facilitate a session(s) as part of the conference
2. Send delegate(s) to attend the conference
3. Reserve an exhibition stand within the conference venue for branding and awareness building
4. Fund the conference (through donation of good/services or provide monetary support)

More importantly we would like to enlist your support in marketing the conference in your organizations and within your networks.

More information and updates on the conference can be found on our official website:

We look forward to your support in this initiative as we strive to make the 7th IAF Africa Conference a great success, building on the achievements of the last two conferences in Arusha, Tanzania (2017) and Nairobi, Kenya (2016).

We warmly welcome you to come and share the beauty and magic of the renowned and award-winning Diani Beach with its numerous world class beach resorts, widespread palm vegetation, giant coral reefs and a vibrant marine life.

Yours faithfully,

Elisha Mwaringa
